

5 Minute Lesson Plan - Effective Communication of Permaculture Principles

The Big Picture (e.g. Systems thinking...)

Objectives for the lesson (e.g. by the end of the lesson, students will know...)

- *
- *
- *
- *

Key Issues for the lesson (e.g. The main points to take away...)

- *
- *
- *
- *

Assessment for learning (e.g. How will you show that students have learned? What will the outputs be?)

Starter Activity
(Introduce the lesson)

Lesson Activity
(Main body of lesson)

Lesson Activity
(Main body of lesson)

Plenary Activity
(Summarise the lesson)
